**Finished Size:** 7 3/4" x 2 3/8" x 1 1/2" (19.5 x 6 x 4 CM)

## What you need:

- 2 medium weight fabrics (denim), 3" x 9" (7.8 x 23 cm)
- 1 lace zipper 9" long (23 cm)
- matching color thread

## Let's Start!

*\*Note that seam allowances are 3/8" (1 cm) unless otherwise indicated.*

1. Tack the 3"x9" pieces and place them right sides together with the long edges at the top. Mark with a pin 2.5 cm in from each side edge.
2. Sew them together up to the pin marks so you have two 2.5 cm seams at both sides.
3. Open out the fabric pieces and press the seam open. Turn the fabric right side up.
4. Place the zipper right side up on the right side of the fabric. Center the zipper along the seam edges. Make sure the center of the zipper runs down the center of the seam.

5. Pin and sew the zipper to the fabric at 1 cm from each folded long edge (fig 1).

6. Open the zipper.
7. Fold the bag with right side facing, pin in place and sew along the raw edges together.
8. Flatten the 2 sides of the bag by pushing each end of the zipper and the bottom edge together (fig.2). Secure with pins and topstitch.

9. Turn the pouch right side out through the zipper.
